Site code			
Stream name			
Latitude			
Longitude			
Stream width (cm)			
Max water depth (cm)			
Location description			
Distance from road (m)		**Accessibility**	
Is it in the fire perimeter? (Y/N)		**Description**	
Is there a place to install the sonde? (Y/N)		**Describe the (possible) installation** (are there trees where we can attach the sondes to? Is it possible to install a t-post?	
Is there a place for the ISCO? (Y/N)		**If yes, length of the tube (cm), height from the stream (cm)**	
Notes
